

Surface Care

Ready-to-use spray for regularly cleaning all oiled wooden surfaces

Surface Care is the handy, ready-to-use spray version of the Universal Soap and is used for the regular cleaning of all oiled surfaces. This Surface Care is very suitable for cleaning smaller areas and local stains on floors, tables, worktops, etc.

PRODUCT INFORMATION

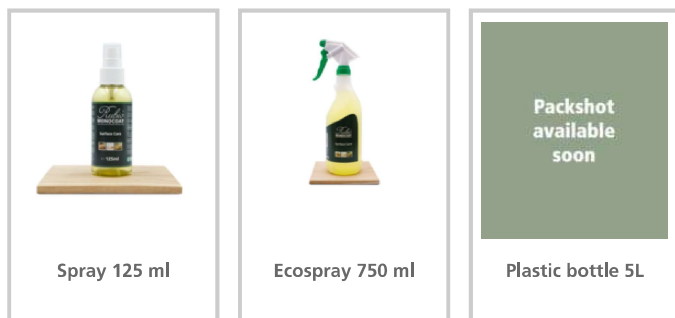

› Specific characteristics

- Ready-to-use cleaning product
- Soap with cleaning function
- Retains the matt and natural appearance of the wood
- pH neutral
- 0% VOC

› Technical characteristics

- Physical state at 20 °C: liquid
- Odour: citrus fruits
- Colour: yellow
- Density: 1.00 kg/L
- pH value: 6-8
- VOC content: 0 g/L

› Packaging

› Storage

The product can be stored for up to 12 months. Store in dry conditions and in the original packaging. Keep away from frost.

APPLICATION INFORMATION

› Instructions for use

STEP 1. Clean the surface. Remove dust, sand, stones, etc.

STEP 2. Spray Surface Care onto the surface.

STEP 3. Clean the surface with a Microfiber Cloth.

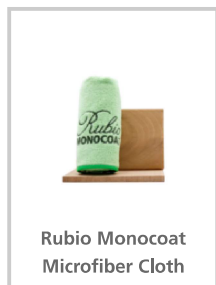

STEP 4. Allow to dry (± 15 min). Do not use the surface until it is completely dry.

Caution, do not leave too much product on the surface, it is sufficient to simply clean wet.

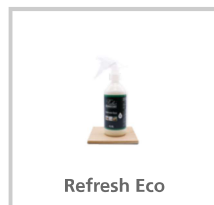

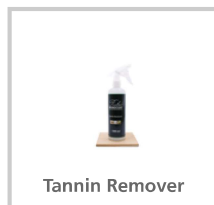

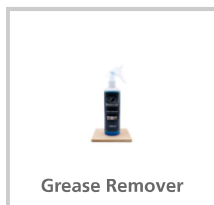

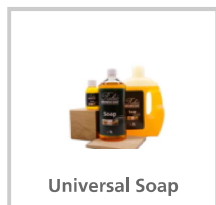

› Tips & Tricks

- We recommend cleaning with Surface Care no more than once a week. Cleaning too often can leave a light film on the surface on which dust and dirt can settle.
- Although many stains can be removed with Surface Care, Rubio Monocoat has also developed a number of specific stain removers in case they do not disappear with the regular soap (e.g. stubborn lime stains, grease stains, black/tannic acid stains).
